You can now register online for most programs using our ActiveNet software!

The Wilbraham Parks & Recreation Dept. (WPRD) is working hard to be able to offer you information at your fingertips through our secure, up-to-date website. This saves time, money, resources and eliminates the other drawbacks of getting information to you via hard copy brochures. On the website, you will find updated information on all our programs and events, as well as schedules and locations, field locations, registration information and forms, and much, much more.

With a few clicks, you can conveniently register online, check family calendars, edit your account and do many other things to simplify your busy lifestyle. On the web, our office never closes!

COME VISIT US ON THE WEB!

Once you have an online account, you will receive our monthly E-Newsletter, *THE WILBRAHAM WHISTLE*, which is a quick reminder of what is going on in our Department and when you need to register.

Watch for the blue button.

VERY IMPORTANT INFORMATION...PLEASE NOTE !

E-NEWSLETTERS: All those who have opened an ActiveNet account with us and/or registered for a program at the office, will now receive our monthly E-Newsletter, *THE WHISTLE*, with lots of important information on registration dates, programs, etc. Opening an ActiveNet account is free and easy: visit wilbraham-ma.gov/rec, click the blue 'Register Online' button and follow the directions for opening an account. .

REGISTRATION INFORMATION:

- Registration may be done for most programs online once an online account has been opened. A small on-line convenience fee is included for actual registrations only. There is no fee to open an account.
- In-office registration is held Monday - Friday from 8:30AM to 4:00PM at the WPRD office.
- Registration by mail will be accepted with proper registration forms and payment. Please don't mail a check without a registration form.
- Out-of-town registrations are welcome for indicated programs, with an additional charge.
- All programs are offered on a first-come, first-serve basis. Late registrations will be accepted based on available space.
- Any check returned for insufficient funds is subject to a \$25.00 charge.
- All dates, times, and prices are subject to change at the discretion of the Parks & Recreation Director and/or the Recreation Commission.
- Watching a good program die is painful. There is a point when, if there are not enough registrants, an activity is cancelled. Signing up late will not resurrect it! Please register during the designated registration periods.

REGISTRATION DEADLINES: Deadlines are used as a tool to determine whether there is enough interest in a program to run it.

- Late registrations will be accepted based on available space.
- **LATE FEES:** Late fees for all activities will be assessed the first day after the registration deadline in the amount of \$10.00. Late fees are not assessed to penalize, but to encourage residents to register on time so the staff has sufficient time to plan programs, order enough program supplies and meet various league requirements. Online registration for many programs is extended without a late fee through the weekend following the Friday in-office deadline. Late fees are not refundable.

REFUND/CANCELLATION POLICY: The WPRD reserves the right to cancel, postpone or combine classes, adjust costs and change coaches, location or instructors or refund policies. In the event a program is cancelled by the WPRD, you will receive a full refund.

- Generally for recreational sports programs, if you notify the WPRD prior to the registration deadline, you will receive a refund minus an assigned administrative charge.
- Each program run by the WPRD has unique constraints. Check the form for the specific refund policy on the program you are registering for at the time of registration.
- **TRIP REFUNDS:** A refund will be given (minus an assigned administrative fee) only if requested one month prior to the date of the trip. Please note exceptions on registration form.
- Please allow at least 10-15 business days for a refund check to be processed.

PROGRAM CONFIRMATION: With our online registration program, you will receive a confirmation when you have registered online for a program. We will contact you only if there is a problem or change.

WAITING LISTS: All registrations are accepted on a "first come-first serve" basis. If your desired program is filled, you will be notified and placed on a waiting list. When and if an opening becomes available, we will go to the waiting list to fill the spot.

Please do not drop your child off at a program...children must be checked in with the instructor at each class!

PROMOTION: For promotional purposes, photographs/videos may be taken of participants and posted in printed material or posted on a website or other promotional material. If you do not wish to have your child's photo taken, please notify the WPRD in writing prior to the program start as well as notifying the photographer and/or class instructor or coach.

The Town of Wilbraham complies with the Americans With Disabilities Act and will make special arrangements upon request. Please contact the WPRD Office (596-2816) at least 24 hours in advance.

ART FOR ALL!: We are planning two Creative Art programs with *Let's Gough Art!* **The Fine, Fun, Funky Art** program will be for ages 10-15 and will include fabrics, and collage, decoupage and printmaking techniques. Incorporate recycled materials to create original and unconventional works of art. Experience tie dyeing, batik, fabric painting, and printmaking. Create your own T-shirts, canvas totes, bandannas and leather bracelets. Other wicked cool art activities include cupcake art, clay bead making, bird masks, comical clay pot people, edible mosaic tiles, friendship bracelets, mandalas and mural making. Concepts of art history, culture and ecology are included and prideful works of art are brought home each day. Bring your sense of humor and dress for a mess for this wicked fun and creative art-venture! Individual projects may vary due to availability of materials but substitutions will always be a blast!

The second program, **Art-ventures Under the Sea** is for ages 6-12. Explorers travel under the sea to the watery world of sea horses, octopus, dolphins, and buried treasure. Days are filled with discovering fun and original art forms and techniques. Decorate sunglasses, design T-shirts, create creatures of the sea using stencil, shell, clay, sand, tissue and fabric art. Explore the art of mosaics, watercolor, oil pastel, beading, journaling, collage and more. Concepts of camouflage, ecology and pollution are discussed while surprises, face painting and laughter round out this fun-filled week.
